

VIETNAMESE LANGUAGE COURSE

Course Basic reading, speaking and writing course in the Vietnamese language for English speaking students.

Student

Population College background, male and female, 20 years to 40 years of age, no language training background, and with mixed language aptitudes.

Course

- Objectives
- a. Basic terminal behavior of this course is for the student to achieve a minimum competency of S-2 (Elementary), R2 and W1 level of proficiency on the FSI scale within the 26 week period.
 - b. The topic objectives for the basic course are detailed in the attached document.

Programming
Task

- a. The work task of this project will be to develop programmed instructional teaching units for sub-topics designated Units II through IV only in the attached outline. All other Units (i. e. Units I and V through XXVI) which precede and follow these selected Units, are for reference purposes only.
- b. The physical programming formats and programming styles utilized in these Units must be mutually agreed upon prior to actual development task.
- c. The final approved programmed Units will be delivered to the client within six (6) months from the date of the formal contract.
- d. The program Units will be considered acceptable by the client when at least 90% of the students have achieved a 90% or better score on the UNIT criterion tests. Minimum test group size will be 10 students.
- e. Unit criterion tests developed by the contractor must be approved by the client.
- f. Fixed price bids only will be accepted. These bids should include all contractor costs such as travel, subsistence, labor, materials, telephone, profit, etc. The agreed contract price shall be payable in three (3) equal payments to coincide with delivery of the units.

- g. The contractor should also consider the development of teacher manuals and similar materials to aid in the assimilation of the programmed units into the traditional course now taught.
- h. Units developed by the contractor should include audio tape presentations designed for the conventional reel to reel tape recorder.
- i. The minimum items which should be included in all proposals is as follows:
 - 1. Financial ability of the contractor to handle the task.
 - 2. Person who will be project director and his relevant work experience.
 - 3. Personnel who would work on the project and their relevant work experience.
 - 4. Your general plan for the development of these Units and the time required for each Unit.
